## THIS YEAR

### 21st February

On 21st February, a significant day commemorating International Mother Language Day, we, at TrainersIT, alongside our students, paid our respects by laying wreaths at the Shaheed Minar for the martyrs who sacrificed their lives for linguistic diversity and freedom. It was a solemn yet deeply meaningful gesture to honor the memory of those who fought bravely to preserve their mother tongues. As we stood in solidarity at the Shaheed Minar, we reflected on the profound importance of linguistic diversity and the need to protect and promote every language, irrespective of its size or influence.

## SHAHEED MINAR

This act of remembrance served as a poignant reminder of the sacrifices made in the pursuit of linguistic rights and cultural identity. Moving forward, we are committed to upholding the principles of International Mother Language Day and continuing our efforts to safeguard and celebrate linguistic diversity in our community and beyond.
